## Magnifying Cartoons

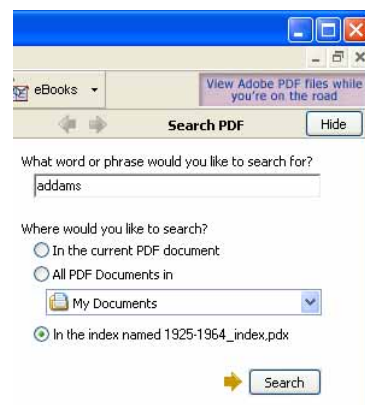

To get a closer look at a cartoon click the Zoom In button  in the toolbar.

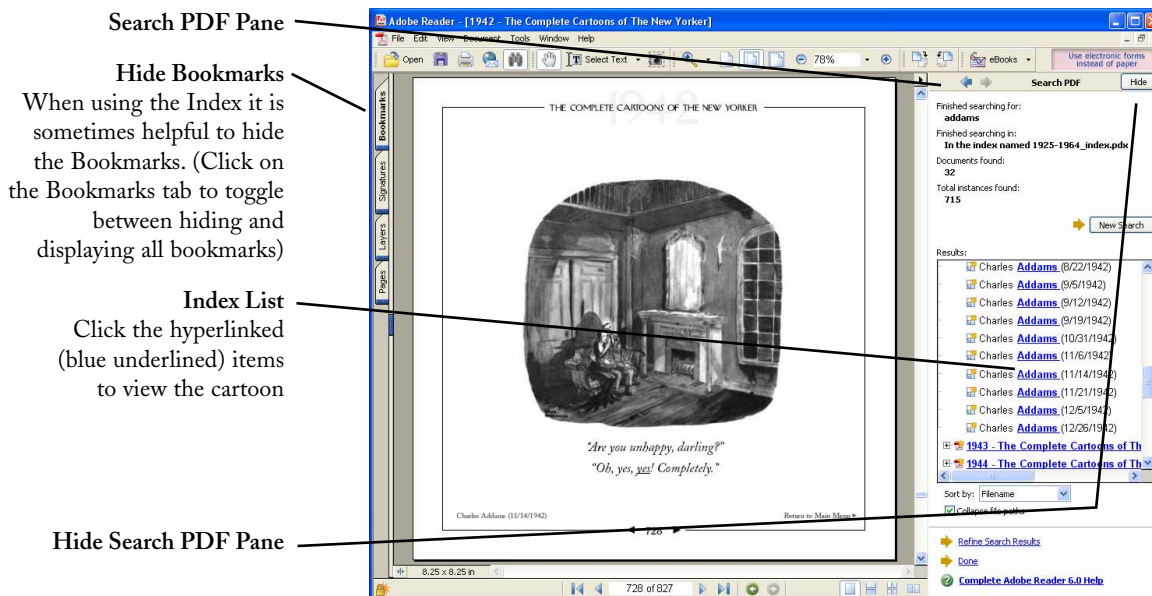

To decrease the magnification on a cartoon click the Zoom Out button  in the toolbar.

## Using the Index

An index for this anthology is far too large to present as a single list. Use the Search PDF pane to filter the index of cartoons by a particular keyword, artist or caption.

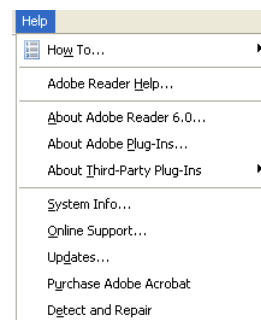

1. On the toolbar, click the Search tool , or choose Edit > Search
2. Type a keyword, artist or caption you want to filter for.
3. Click Search. An index list of years appears.
4. Click the plus sign  (Win) or right arrow  (Mac) next to the year to show the filtered index list of cartoons for that year.
5. Click an item from the index list to view that cartoon.
6. **To view other cartoons continue clicking items in the index list**, or choose Edit > Search Results > Next Result to see the next cartoon in the index. (Do not use the Next & Previous Page Arrows located at the bottom of each page)
7. (Optional) - In the Sort By menu near the bottom of the Search PDF pane select sort by Filename to sort the index list of years numerically.
